

# Storyboard Artist

Learn how to use Toon Boom Storyboard Pro to create the visual images that map out each scene in a film, TV show, animation, or video game. Get comprehensive training in drawing, composition, and storytelling techniques.

Storyboard artists create a sequence of illustrations that represent the shots planned for a film, animation, or other visual media. They translate the script into pictures and provide a visual blueprint for how the action will play out.

Toon Boom Storyboard Pro is widely considered the industry standard for storyboarding. We've partnered with the experts at Toon Boom to offer a program that covers the knowledge and skills needed to succeed in the competitive world of film and animation.
